Free Patient Webinar Chronic Lymphocytic Leukemia/Small Lymphocytic Lymphoma

Tuesday, October 1, 2024 • 2:00 – 3:15 PM EDT

Join the experts

As they discuss CLL/SLL. This webinar is designed to help participants engage more effectively with their care team in the following ways:

- To understand their diagnosis and different risk levels.
- To compare treatment options, including the option of observation until disease progression.
- To actively use resources provided by their care team.
- To be aware of resources independent of the care team—advocacy group websites for example.

Agenda

- Introduction
